- 4.0 ON TO 2050: Infill, TOD Trends and Reinvestment Strategies – Liz Schuh, CMAP staff
GO TO 2040 recognized the strong benefits of leveraging the region's existing assets and recommended that the region direct investment toward strengthening existing communities and find opportunities to encourage new development and redevelopment in livable communities that are denser and designed for mixed uses. As part of ON TO 2050 development, CMAP has prepared a snapshot report that highlights infill and transit oriented development (TOD) trends in the region and a [strategy paper](#) that will explore reinvestment and infill strategies. Liz will summarize the major trends and strategies from both of these efforts.
ACTION REQUESTED: Discussion
- 5.0 ON TO 2050: Stormwater and Flooding Strategy Paper – Nora Beck, CMAP staff
CMAP is exploring new approaches to stormwater management as it relates to flooding as part of the development of the next plan. CMAP staff have developed a draft policy framework for organizing recommendations within the strategy paper. In addition, CMAP has

created draft regional flooding susceptibility indexes to identify priority areas for mitigation. Nora will present on both items to solicit committee feedback.
